**TABLE OF CORRESPONDING CANONS**  
CIC — CCEO — CICO

*Editor's Note:* At times there is a literal correspondence among the canons of the 1990 Code of Canons of the Eastern Churches (CCEO), the 1983 Code of Canon Law (CIC), and the various apostolic letters *motu proprio* (CA = *Cebræ allatæ sunt*, 22 February 1949; SN = *Sollicitudinem Nostram*, 6 January 1950; PA = *Postquam apostolicis literis*, 9 February 1952; CS = *Cleri sanctitati*, 2 June 1957; CM = *Cum matrimonialium*, 8 September 1973) that formed the bases of the Code of Oriental Canon Law (CICO). At other times there is substantial correspondence among them even though there are notable differences terminologically. At still other times there is only a partial correspondence among the canons of the three codes. Finally at times there is no correspondence among the canons of the CCEO, CIC, and CICO, and this is indicated by an "X" in the appropriate column.

TABLE OF CORRESPONDING CANONS  
CICO — CCEO — CIC

**Editor's Note:** At times there is a literal correspondence among the canons of the 1990 Code of Canons of the Eastern Churches (CCEO), the 1983 Code of Canon Law (CIC), and the various apostolic letters *motu proprio* (CA = *Crebrae allatae sunt*, 22 February 1949; SN = *Sollicitudinem Nostram*, 6 January 1950; PA = *Postquam apostolicis litteris*, 9 February 1952; CS = *Cleri sanctitati*, 2 June 1957; CM = *Cum maritimonialium*, 8 September 1973) that formed the bases of the Code of Oriental Canon Law (CICO). At other times there is substantial correspondence among them even though there are notable differences terminologically. At still other times there is only a partial correspondence among the canons of the three codes. Finally at times there is no correspondence among the canons of the CCEO, CIC, and CICO, and this is indicated by an "X" in the appropriate column.
